IT CONDIZIONI GENERALI DI VENDITA

PREMESSA

I prodotti C.M.T. sono soggetti ad un continuo sviluppo tecnologico, ottenuto attraverso la ricerca tecnica, la sperimentazione di laboratorio ed applicativa, svolta su larga scala sui più impegnativi mercati mondiali. Disegni quotati, dati e caratteristiche tecniche, fotografie, illustrazioni del prodotto e del confezionamento, sono forniti a scopo informativo e non hanno carattere impegnativo. C.M.T. si riserva pertanto di apportare ogni modifica ed i miglioramenti che riterrà necessari, senza peraltro assumerne l'impegno di estendere le innovazioni anche ai prodotti già forniti, né incorrere in alcun genere di obbligazione. Le tolleranze dimensionali d'uso sui prodotti finiti, che sui componenti, nei limiti definiti dalle norme tecniche inerenti la categoria dei prodotti specifici, si intendono implicitamente ammesse.

ACCETTAZIONE DEL CONTRATTO

Tutte le ordinazioni dei nostri prodotti si intendono accettate esclusivamente ai prezzi ed alle condizioni di vendita in vigore all'epoca della consegna della merce. Ogni ordinazione viene accettata ed ogni fornitura viene eseguita alle Condizioni Generali di Vendita, di seguito indicate; pertanto il conferimento di un ordine o l'accettazione di un'offerta, dati sotto qualsiasi forma, valgono espressa integrale accettazione di tali Condizioni Generali di Vendita, senza riserva di sorta, salvo che eventuali deroghe siano state confermate per iscritto da C.M.T. Per quanto non previsto dalle Condizioni Generali di Vendita sotto riportate, avranno valore le norme del Codice Civile italiano. Le offerte e le conferme, si intendono salvo disponibilità. Le ordinazioni anche se raccolte tramite il nostro personale di vendita, si intendono subordinate alla nostra accettazione, che può essere anche parziale. L'emissione e l'invio della conferma d'ordine, ratifica l'avvenuta formale accettazione dell'ordinazione ed il contestuale inserimento dell'ordine stesso, nei piani di produzione e/o di consegna; pertanto non potranno essere accettate variazioni di qualsivoglia genere, né annullamenti parziali o totali dell'ordine, trascorsi tre giorni dalla data di ricevimento da parte di C.M.T.

IMPORTO MINIMO DI FORNITURA

C.M.T. si riserva il diritto di non accettare ordini per importi inferiori a EURO 100,00 nette, per ciascuna spedizione. Qualora tale importo minimo venga accettato, sarà addebitato un importo di EURO 15,00, quale contributo alle spese di gestione e fatturazione dell'ordine.

PREZZI

Il prezzo indicato sui listini C.M.T., offerte commerciali o conferme d'ordine, è quotato al netto in euro: si intende fisso ed invariabile per merce resa "franco proprio stabilimento" - I.V.A. esclusa. L'aliquota I.V.A. sarà quella vigente nel giorno della spedizione. I prezzi indicati sui cataloghi, sui listini e nella conferma d'ordine, hanno carattere esclusivamente indicativo e non impegnano in alcun modo C.M.T., la quale si riserva il diritto di apportare agli stessi, variazioni adeguate agli intervenuti aumenti di costo della mano d'opera e delle materie prime e degli altri elementi di costo che si fossero verificati nel corso del contratto e fino al giorno della spedizione. I prezzi dei prodotti C.M.T., sono quelli del listino vigente alla data della spedizione.

TERMINI DI CONSEGNA

I termini di consegna indicati nella conferma d'ordine, hanno carattere puramente indicativo e sono comunicati senza garanzia. Se accettati, sono validi in normali condizioni di lavoro, salvo casi fortuiti o di forza maggiore od imprevisti, tra i quali i ritardi di consegna delle materie prime, mancanza della forza motrice e più in generale tutti quei fatti non imputabili a dolo o colpa grave di C.M.T. Il mancato rispetto dei termini indicati, non pregiudica la validità dell'ordinazione, né costituisce motivo plausibile di annullamento totale o parziale dell'ordine. I prodotti di serie, potranno essere spediti entro cinque giorni lavorativi dal ricevimento dell'ordine, salvo imprevisti o cause di forza maggiore. Nessuna responsabilità di ordine patrimoniale o d'altro genere affine, potrà essere imputata a C.M.T., qualora dovessero verificarsi ritardi nelle consegne e/o nei trasporti, conseguenti a cause di forza maggiore o dipendenti dal comportamento del vettore.

IMBALLO - RESA - SPEDIZIONI

L'accurato ed efficace imballaggio dei prodotti, viene addebitato al prezzo di costo. I prodotti vengono resi franco nostri stabilimenti nel territorio italiano. I prodotti forniti da C.M.T., indipendentemente da qualsiasi pattuizione, viaggiano sempre a totale rischio e pericolo dell'acquirente, anche nel caso d'impiego di un vettore preferenziale scelto da C.M.T., C.M.T. si riserva in ogni caso la facoltà di spedire la merce in porto franco, con addebito in fattura delle relative spese di trasporto, quando l'importo della singola fornitura sia inferiore all'ammontare minimo previsto, indicato nella clausola numero tre. E' esclusa ogni nostra responsabilità per danni alla merce, che si verificassero durante il trasporto, rotture, avarie, furti o manomissioni, la cui responsabilità ricade sul vettore ai sensi dell'art. 1693 del Codice Civile. Il cliente, al ricevimento della merce, è obbligato ad effettuare le opportune verifiche ed in caso di avarie od anomalie agli imballi, sporgere l'opportuno reclamo nei confronti del vettore, prima di effettuare lo svincolo o sciogliere la riserva posta al momento dell'accettazione del materiale.

Il pagamento deve essere effettuato al netto, presso la sede di C.M.T. Utensili S.p.A. - Pesaro, Fraz. Chiusa di Ginestreto ai sensi dell'art. 1182 del Codice Civile - 3° comma, alla consegna od alla spedizione dei prodotti, salvo una specifica deroga o diversa pattuizione risultante da atto scritto, controfirmato dalle parti. Pagamenti dilazionati, dovranno essere preventivamente pattuiti e confermati per iscritto, per ogni fornitura. Nel caso di pagamenti dilazionati, il mancato pagamento di una rata, comporta la decadenza del beneficio del termine stabilito a favore dell'acquirente, anche per le altre rate, ai sensi dell'art. 1186 del Codice Civile. L'acquirente non potrà opporre alcuna eccezione, con i soli limiti disposti dall'art. 1462 1° comma, Codice Civile, per evitare o ritardare il pagamento, che dovrà quindi sempre essere effettuato nel termine pattuito. Il ritardo del pagamento, anche parziale, dà luogo alla immediata decadenza degli interessi al tasso ufficiale di sconto, maggiorato di 5 (cinque) punti. Il mancato pagamento a qualsiasi titolo, autorizza C.M.T. a sospendere ulteriori forniture. La garanzia esclude prioritariamente ogni rivalsa e l'obbligo di risarcire danni diretti od indiretti, conseguenti all'impiego del prodotto C.M.T. anche nel caso di rottura; anche se ciò dovesse causare danni a persone e/o cose. Deve ritenersi escluso dalla garanzia, qualsiasi danneggiamento conseguente all'impiego improprio o colposo od in contrasto con i limiti di impiego dettati dalle norme e/o riportati sui cataloghi e/o sui documenti tecnici C.M.T. La garanzia è inoltre esclusa nel caso di una affiliazione indebita, usura ordinaria, installazione non corretta od uso improprio. Si esclude altresì qualsiasi indennizzo per danni, sia diretti che indiretti, eccettuato il caso in cui sia rilevabile una grave negligenza.

C.M.T. si impegna alla riparazione od alla sostituzione del prodotto che, sia all'esame oggettivo dei propri tecnici che a seguito di prove di laboratorio risultasse manifestamente difettoso per cause inerenti il ciclo di produzione. Qualsiasi reclamo per vizi o difetti di qualità del prodotto, anche se non apparenti, deve essere proposto, sotto pena di decadenza, entro il termine di quindici giorni dal ricevimento della merce ed esclusivamente in forma scritta. Il difetto che dovesse evidenziarsi in un secondo tempo, dovrà essere segnalato immediatamente, con una dettagliata descrizione delle condizioni di impiego: in tal caso C.M.T. si riserva la più ampia discrezionalità decisionale in ordine all'accoglimento del reclamo. Il prodotto effettivamente difettoso, dovrà essere inviato in porto franco alla nostra sede, solo dopo la preventiva autorizzazione alla restituzione, corredandolo di dettagliate informazioni sull'impiego avvenuto e le presunte cause di difetto. In mancanza di quanto sopra, il prodotto verrà respinto. C.M.T. non risponde dei danni diretti od indiretti causati dai prodotti all'utilizzatore e/o a terzi, alle cose ed all'ambiente.
